for donation of trophy!*

The purpose of Rotary is to encourage the ideal of service to others among members through their personal, business and civic lives. Rich-Mar Rotary accomplishes this objective through an array of projects, activities and charitable fund raising. This Golf Outing is one of our major fund raising efforts. Every dollar generated through this and other fund raising events goes directly to helping others in our community and internationally. Rich-Mar Rotary is a very active organization always seeking those that want to serve their community and give something back. What the community enjoys today is only because others donated their energies before. If you are interested in becoming a Rich-Mar Rotary Member see our website at www.rich-mar.org.
